What is Birdies Fore Love?

As the nation’s largest provider of assurance, tax and consulting services focused on the middle market, RSM partners with the RSM US Foundation and the Davis Love Foundation, the host organization of The RSM Classic, a PGA TOUR event, to raise funds that assist children and their families. Over the past three years, RSM has raised nearly $3 million to help local charities where our employees work and live.

Each RSM office selects a local charity that supports youth in the areas of education, hunger, housing or health to benefit from its 2017 Birdies Fore Love Program. The charities will receive the funds raised by RSM employees, family and friends through the program, along with a potential match from the RSM US Foundation.
