Volunteer Information

Please help us make the 2021 Jekyll Island Cup a great experience for all those involved!

Jekyll Island Golf Club will be offering a round with complimentary cart fee for or complimentary guest pass for Jekyll Island members that volunteer for this event. For non-members they will offer a round of golf for cart fee only (excluding weekends and holidays) that volunteer for this event.

Volunteer Positions – March 27th-28th

- **COVID-19 Protocols** – U.S. Kids Golf has enacted protocols to help ensure the safety of all volunteers, participants, and staff. We are working to minimize touchpoints and will offer gloves and masks to those with positions requiring any type of close proximity interaction.
- **Starter** – Starters will be responsible reading information to participants and announcing their names and hometowns before they tee off. Starters will be stationed on the #1 or #10 tees.
- **Pace of Play** – Each volunteer will record the finishing times of the groups as they pass through checkpoint holes to make sure they are on pace. A Pace of Play volunteer will be stationed at the greens of No. 4, 9, or 13.
- **Scoring** – Scorers will be responsible for facilitating the scoring procedures set by U.S. Kids Golf. Scoring volunteers will be located at either No. 9 or No. 18 and must help the participants turn in the official scorecards.
- **Scorecard Runners** – The Scorecard runner collects scorecards from each finishing hole and takes them to the Tournament Operations office for entry and verification.
- **Player Registration** – Registration volunteers are responsible for checking in players and distributing tee gifts, supplies and event information.

Please Note: Once you have signed up to volunteer, you will receive more in-depth instructions on how to manage your position. Volunteers will receive a hat and may wear any comfortable golf attire. Lunch vouchers will be provided each day.
